Subject - General Election to Lok Sabha 2009 (Karnataka) – complaints –regarding

Sir,

I am directed to refer to your letter dated 27<sup>th</sup> April, 2011, on the subject cited, and to state that the Commission had noted the contents of your earlier complaint dated 5<sup>th</sup> August, 2010 and thereafter has modified its instruction on counting. In the revised instructions, it is provided that the computation, compilation and tabulation work shall now be done in the counting hall alongside the ROs table and candidates/ counting agents shall be allowed to sit on that table. Tabulation and computation work is now done both manually and by computer parallelly. A computer printout indicating the votes polled by each candidate after each round is given to candidates/agents. Thereafter, only next round counting is done. You will appreciate this eliminate, any chance of wrong tabulation or computation. In the recently concluded Assembly elections of five states, no complaint in the matter has been received.

Yours faithfully,
